Re: Walgreen Co. Stockholder Litigation

You are hereby notified that I was the holder of 100 shares of Walgreen's stock at all times between August 5, 2014 through December 31, 2014. I am making a response pursuant to the Notice of Pendency of Class Action Settlement Hearing recently received. I consent to the suggested settlement including the release of the sub claims but object to an award for plaintiffs' attorney fees for the reason that the subject action appears to be nothing more than a "fetcher action" and for the further reason that the settlement action is not beneficial to the shareholders or to the corporation itself. Such actions give the legal profession a poor reputation.

Respectively submitted,

James J. Coryn
